COLOR *Comes To Cameron . . .*

Another FIRST For Milam County

Herald Brings Color To Life In This Issue

The Cameron Herald today introduces newspaper color to Milam County.

It will be the first regular color service in Central Texas weeklies and the latest innovation in newspaper service offered by The Herald.

In announcing the addition of color, Publisher Frank M. Luecke estimated that The Herald would be one of a few weekly newspapers in Texas offering color facilities.

"We belive The Herald is the only non-metropolitan weekly in Texas to introduce color as a regular feature," Luecke said. "Up to the present, Herald improvements have been those expected of any good newspaper. We are now stepping out to bring as much quality to Herald readers as possible."

Two color advertisements in red and black appear on other pages of this edition.

Here is how color came to Cameron:

Two forms were made up of each page scheduled to have color, this week red, on them. After precise measurement, all the type and pictures to appear in red were placed in separate forms on The Herald's newspaper press.

Then the press was inked for red and new rollers were emplaced. After that came the "color run", printing only the color you see in this issue on the newsprint sheets.

There followed the regular run in black ink, repeating the process of changing forms with only type and pictures to be printed in black.

So the two separate runs through the press were made to bring Cameron color.

The new facilities make possible the effective use of color in advertisements and embellishment of special features presented by The Herald.

VOLUME 99—NUMBER 34 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY NOVEMBER 20, 1958 | 12 PAGES TODAY

4-H HONORS WINNERS — These four young men and their sponsors smile amid the aplause of 300 4-H boosters and members at the Saturday night program citing top 4-H workers in Milam County. The quartet of youngsters here receive jackets in recognition of winning the Texas 4-H poultry judging contest last spring. Other honorees cited at the program are shown in a picture-word story on Page 7. Above from left are: Louis Elley, Adrian Richter, Leo Fuchs, Eugene Michalka, Gene Blake, Joseph Walzel, W. B. Collins and Carroll Wayne Glaser. The four youngsters represented Texas in the national contest last summer.

Santa's Visit To Headline Yule Season Of Cameron Activities

Mrs. Smitherman Starts Chamber Office Duties

Mrs. Barbara Smitherman, Cameron, has accepted the position of of office secretary at the Chamber of Commerce, according to President Hilliard Thomas.

She will be on duty at the Chamber office from 1:00 p.m. to 5:00 p.m. each week day and from 9:00 a.m. to 12:00 p.m. on Saturdays.

Richard Moseley, general manager, will be in the office during the week day mornings, thus providing complete office coverage of Chamber service to the community.

Thomas stated that the Chamber was indeed fortunate in securing the servcies of Mrs. Smitherman due to her extensive Chamber of Commerce experience.

She served the Cameron Chamber as office secretary from October of 1952 to June 1954, and as secretary-manager from February 1955 to September 1956.

She assumed her new duties Monday.

New Police Chief . . .

Simons Takes Over

Chester Simons, 34, has assumed his duties as chief of police in Cameron.

A 6-6, 280 - pound former athlete, Simons has seven years of experience with the Waco Police Department and the McLennan County sheriff's office. He also served five years as a law officer in Angleton in Brazoria County.

Chief and Mrs. Simons and their two children, Chester Jr., a 14-year-old freshman, and 10-year-old Jerry Dwain, are living at 807 N. Milam.

Simons graduated from Waco High School in 1942 and entered the U. S. Army where he served with the military police. He received the Silver Star for valor in action in France in 1944 and his unit, the 1065th MP Battalion drew a presidential unit citation for service in two ETO battles.

Simons' athletic background includes boxing, softball following high school and football and basketball at Waco High.

He was a Golden Gloves boxing champion in Waco in 1942 prior to military service. And he played on the world amateur championship Calvert softball team in 1950 which placed second the following year in finals at Phoeniz, Arizona.

He said that he has been officiating high school football and basketball games for the past several years.

"I really like to work with kids," Simons told The Herald. "I have been interested in junior sporting activities like little League Baseball for years."

Chief Simons took over police duties in Cameron last week. He succeeds Maynard Byers, now a patrolman in Killeen.

Music, Big Tree, Santa Pals Add To City Program

Santa's traditional visit to Cameron Friday, December 5, will touch off an eventful Christmas season in Cameron, Central Texas' Christmas City.

The Cameron Chamber's annual Santa Parade will include Old St. Nick himself along with an estimated 35 floats, bands and entries in the yearly Christmas activity.

Meanwhile Cameron's Junior Chamber of Commerce will be conducting its fourth annual Christmas Santa Pals project for needy children. The annual project takes toys contributed by Milam Countians and sees to their repair and Christmas delivery to needy children in Cameron and vicinity.

Tree With Lights

Other Jaycee Christmas plans include the stringing of traditional downtown streamers of Christmas decorations and erection of a 25 foot Christmas tree on the Milam Courthouse lawn.

Santa will draw up his sleigh near the tree to meet his hundreds if not thousands of Milam County admirers following the parade December 5. The tree and decorations will be installed following the Thanksgiving weekend.

Other Jaycee Christmas plans include the playing of High Fidelity Christmas music through speakers atop the Milam Courthouse.

Jaycee President Bill Crockett said the music will be programmed to add a "Yule spirit for downtown Cameron and enjoyable listening at night for the whole city."

Other plans tentatively scheduled are a massed singing of Christmas carols by Cameron church choirs and a special Christmas matinee at the Milam Theatre during Christmas week.

16 Parade Entries

Chamber Manager Richard Moseley said that 16 entries have been confirmed in the Christmas parade which is scheduled to begin 4 p.m. Friday, December 5. He said that Santa will distribute candy, balloons and gum to all the children on his visit here.

The Chamber trade development committee, chairmaned by Henry Siebman, began a year-'round program plan in a meeting this week. He said the planning included an intensive "Shop at Home" campaign, development of a home trade show or "town fair" type of program during the summer months.

Column 99

By Frank M. Luecke

A customer at Fuchs' Ideal Hatchery got 15 eggs for the price of a dozen one day last week all because of a couple of rattlers, dead ones thank you.

It seems that an employee went back to get a dozen eggs for the customer and saw the dead rattlers stretched out on the floor.

"I got the eggs all right," smiled the lady, "but I didn't take time to count them. I wanted only one thing when I saw those snakes. And that was out!"

99-99-99

Her chagrin was justified. For Alton Fuchs and Lester Byrd had stretched out their catch of a few days earlier — a 5 foot, 1 inch rattler and its partner, a mere four-footer.

The two young men were out on a fence row in a field near Pettibone Community when they came upon the rattlers or the rattlers came upon them.

Spying one of the snakes, one of the men went for a gun. Meanwhile a workman with Byrd and Fuchs met up with the other rattler.

"We never knew who was the more frightened, the man or the snake," Fuchs said. "Anyway we got two snakes."

99-99-99

All of the great outdoors does not rattle. A trio of countians went hunting last week for something less exciting and apparently harder to find — a 25-foot cedar with the well-proportioned potential for making a handsome Christmas tree.

Find it they did after a short time in the scrub-oak timber of the country near Hoyte Community.

All Milam County will have opportunity to see it, bedazzled with bright lights and Christmas decoration early in December. It will be erected by Cameron Jaycees later in the Milam courthouse square for all to enjoy.

It is all a part of genuine effort to make Cameron the Christmas City of Central Texas. A great deal more will be said of those efforts.

We are told that Cameron used to have a big Christmas tree and caroling and Christmas music as well as Santa and his parade in more recent years.

United Fund Nets $7,200 In Campaign

The North Milam United Fund hit the $7,200 mark in contributions pledged during the past week, according to E. O. Schiller, Jr., Fund president.

Don G. Humble, campaign drive chairman, said that some contributions still were uncounted but most of the pledges and donations had been received by drive workers.

The funds will be divided among the seven participating agencies that include: Boy Scouts, Girl Scouts, Red Cross, Heart Fund, Salvation Army, Library Fund, and North Milam Charities.

Workers have been pushing toward a $12,850 goal set earlier this year by the Fund board of directors.

"If you desire to make a contribution, and have not been contacted, please call my number or Mrs. Lyle McDermott, chairman of the house-to-house drive in North Milam County," Humble said.

The personal solicitation drive was conducted by eight chairmen in 14 north county communities.

Special gift solicitations in Cameron were conducted by members of the Lions, Kiwanis and Rotary Clubs.

First Christians Set Chili Supper Friday

The Christian Womens Fellowship of the First Christian Church will hold a chili supper Friday from 5 until 7:30 p.m. at the church.

Tickets may be purchased at the door for the homemade chili and coffee. Pie will also be sold. Proceeds will be used to paint the new church annex.

Ministers Set United Thanksgiving Service At Christian Church

The First Christian Church will be host to the annual community Thanksgiving Service, November 26, at 7:30 p.m. according to a spokesman of the Cameron Ministerial Association.

The Rev. Aubrey F. Russell, minister of the First Baptist Church, will deliver the sermon for the special service. Other ministers particpating will be Rev. B. L. Laughlin, Rev. Floyd Hawkins, Rev. E. J. Davis, Rev. Gerald R. Cobb and Rev. Burleson.

The First Christian Church choir will present special music for the Thanksgiving service.

The offering received at the community service is used throughout the year by the Ministerial Association for relief work in the city.

TB Group Launches Christmas Seal Drive

The annual Christmas Seal Drive of the Milam County Tuberculosis Association got under way last week as cheery red and green Christmas seals were mailed to 3,400 homes and businesses over the county with appeals to buy and use them, according to Clois Green of Rockdale, president of the County TB Group.

The Christmas Seal sale is the only fund raising appeal of the Milam County Tuberculosis Association. "Of every Christmas Seal dollar 82 cents is spent to finance the association's local program, Green said. "Another 12 cents goes to aid the statewide tuberculosis control work of the Texas Tuberculosis Association and the other six cents helps to support 40 current medical research porjects and other work on a national printed Green said, "There were 80 known cases of tuberculosis in Milam county. Since then, there have been several new cases reported, which should impress on the people of this county the need to fight tuberculosis."

The annual appeal is the TB association's only means of raising funds for its work. "The success of the group's 1959 program will depend on the response to this year's appeal," Green added.

Harry Wayne Clark is seal sale chairman and Mrs. Mildred B. Wheeler is co-chairman.

Those persons who do not receive seals through the mail may write the Milam County Tuberculosis Association in Rockdale and seals will be mailed to them.

Officers of the Milam County Tuberculosis Association are: Green, president; Mrs. Mildred Wheeler, first vice-president; Dr. Philip O. Young, second vice-president; Dr. E. O. Smith, third vice-president; Miss Emma Hardie, secretary-treasurer; Mrs. Theda R. McGee, executive secretary; and Mrs. J. D. Lewis, assistant executive secretary.

On the associations board of directors are Mrs. Edwin Adams, Mrs. Elbert H. Brown, Mrs. James Burns, Harry Wayne Clark, Rev. Gerald Cobb, Ray Dorsett, R. G. Gregory, Mrs. J. T. Hale, Mrs. J. P. Harmon, Mrs. G. H. Harrell, Mrs. Dorothy Hyder, Mrs. Roland Lawson, Mrs. Frank Luecke, Mrs. Margaret McAdams, Mrs. Dana Monroe, Holmes Pearce, Hinton Pruett, Mrs. E. O. Smith, William Stigall, Mrs. John Thomas, Mrs. Vera Thompson, Mrs. George Triggs, Dr. A. A. Urban, Mrs. Murphy Webster, W. W. Wilson, and Mrs. Mildred Zotz.

Students Elect Annual Carnival Queen Nominees

Cameron students last week elected candidates for the annual All School Carnival to be held at the Yoe High Gymnasium December 2. Funds raised during the carnival by each class will determine the queen, according to Wiley Loughmiller, superintendent.

Queen candidates chosen by their classes in Yoe High School are: Ann Swift, senior; Annette Mees, junior; Ann Allison, sophomore; and Frances Jackson, freshman candidate.

Ada Henderson school candidates and their escorts are Judy Schoffield and Steve Smith, fourth grade; Valerie Green and James Vogelsang, fifth grade; Kay Sell and Lawrence Laffere, sixth grade Jolene Weid and Craig Wallace, seventh grade; and Billie Burke escorted by James Parker for the eighth grade.

Jane Calloway is queen candidate for the first grade with Mike Loughmiller as escort; Deborah Kuhn and Terry Cobb second grade; and Jane Burns escorted by Kenneth Cummings from the third grade.

Crown bearers will be Everett Berry, Donna McGoldrick and Brenda Watkins.

Weather Notes

The weatherman calls for continued clear skies and crisp temperatures over the weekend following a cold blast of air from the north that skidded temperatures 30 degrees Monday. About .25 inches of rain fell during the past seven days.

Official City Hall weather marks were:

Commission Setting Stage . . .

City To Get Street Plan

The City Planning Commission will finalize an outline of long-range street construction in a meeting next Tuesday after two discussion meetings this week developed tentative ideas for thoroughfare improvement throughout Cameron.

Chairman Morris Eplen's board considered a program that would recommend street improvements to thoroughfares extending east-west and north-south for City Council action later this year.

In an organizational meeting last week, Mayor Bassel Wilson asked the board to develop recommendations for a long-range street improvement program to tie in with a widening project on US 77 in Cameron.

Wilson also asked the board to project a planned approach to sewerline and draining extensions and zoning of the city for future growth.

In a Tuesday night meeting, the board heard City Public Works Supt. W. D. Bigbee list the cost to property owners if they would cooperate with the city on an extensive street improvement plan.

City Goes One-Third

Bigbee noted that the city would absorb one-third of the cost of emplacing asphalt paving or asphalt paving and curb and gutter.

City funds would come from a $50,000 fund said by Mayor Wilson to be available for use on street improvement. He said $13,000 of the sum would come from a refund assured by the state for the curb and gutter cost on US 77 previously charged to the city.

Wilson said that other monies would be available from a carry over of about $30,000 from the 1957-58 budget.

In Bigbee's cost analysis of constructing or resurfacing streets with asphalt, he noted the probable costs: $3.58 per property owner per foot for a complete curb and gutter and asphalt surface; about $2.44 per property owner per running foot for asphalt surfacing only without curb and gutter installation.

He said the city would match each property owners third of the cost from city funds. The city would handle construction he said. The city would pave or curb and gutter and pave, whichever applied, intersections in the city to provide the city's one-third of the cost.

US 77 Bid Let

Wilson told Board members last week that B. A. Camp was successful bidder on the US 77 project in Cameron and work was to begin as soon as the Temple contractor could move in his equipment.

He said also that additional streetway could be asphalt surfaced for about 40 per cent off if a program of improvement was instituted while the Temple firm had equipment located in Cameron for the US 77 job.

The Planning Commission worked for about two hours Tuesday night outlining a tentative program. Eplen said a program of recommended improvements by priority and need would probably be forthcoming next week.

Eight out of nine members attended the Tuesday night session.

In other road construction news, Wilson said this week that state highway officials indicated a resurfacing program would be started on practically every highway entering Cameron. Paving would be accomplished to the US 77-SH 36 intersection east of Cameron, he said, and topping put on the Temple and Waco highways.

The state last week announced a program for improvement or extension of three farm-to-market roads in Milam County.

A&M's Meyer To Talk At QB Club Banquet

The Cameron Quarterback Club has invited Jim Meyer, football coach at Texas A&M College, to address the grid players and their parents Monday, December 8, during the annual Quarterback grid dinner.

Quarterback Charlie Burke at presstime said that Meyer would speak at the dinner, scheduled for 7 p.m. December 8 in the Yoe Gymnasium.

He said the club expected about 350 players, guests and parents at the annual grid affair. Last year Abe Martin addressed the group.

In other quarterback activities the Yoeman varsity team and coaches were the guests of the quarterback club and the school Monday night at a chicken barbecue in the cafeteria of Ada Henderson School.

Coach Jim Speer introduced his varsity players before showing the club the final football film of the year with Hearne.

Introduced also were Coaches Murphy Webster, Bill Kruger, and Billy Michalka along with the team physician Dr. C. G. Swift and Principal J. R. Young.

Burke said the December banquet would honor all the players, their guests and parents. The players will be from all three teams.

"I hope that we can plan for a record turnout to honor the 1958 edition of the Yoemen," Burke said.

It will be Meyer's first appearance in Cameron since his appointment as head coach at Texas A & M.

Tickets for the dinner will cost $1.50 each.

McCalls Host Visitors Here Over Weekend

By Mary Frances Lesikar

Visitors in the home of Ed McCall were Dr. Edgar F. McCall, Placerville, California; Mr. and Mrs. Roy Freeman, Rosebud; and Mrs. V. A. Adams.

Mrs. Frank Lesikar and family visited her parents in Buckholts, Sunday.

A singing will be held at South Elm Church next Sunday from 2 to 4 p.m. Everyone is invited.

Rev. and Mrs. James Gayle spent Sunday with Mr. and Mrs. Charles Leonard. Besides these visitors on Sunday during the week visitors were Mrs. Stella Foster and Mrs. W. C. McDonald and Joe Bob Esslinger, grandson of Mrs. Leonard.

Mr. and Mrs. Charlie Russell are reported to be improving in a Yoakum hospital.

Visitors in the home of Mr. and Mrs. Ladis Klapka were Emil Marek and family, Mr. and Mrs. Dean Butler, Mr. and Mrs. John Simicek, Mr. and Mrs. Elmer Kimbell, Leroy Klapka and Mr. and Mrs. Joe Parks and Barbara.

Friends of Mrs. Frances Marek of Buckholts were sorry to learn about her death last week.

Lehman, Jungmann, Zajicek Attend State Farm Bureau Convention

By Mrs. J. W. Meyer
Telephone LY3-2800

Mr. and Mrs. R. P. Lehmann have returned from Corpus Christi where Mr. Lehman was a delegate to the State Farm Bureau Convention held at Corpus Memorial Coliseum last week. Other delegates from this area to attend were Robert Jungmann and Joe Zajicek. While there Mr. and Mrs. Lehmann visited in the home if their son and daughter-in-law, Mr. and Mrs. R. L. Lehmann.

Mrs. W. H. Lang is a surgery patient at King Daughters Hospital in Temple. Her visitors Sunday included Mr. and Mrs. R. P. Lehmann.

Mrs. W. H. Ezzell has returned from a visit in Austin where she was a guest of her daughter and family, Mr. and Mrs. Clovis Pearce

Mr. and Mrs. L. N. Ezzell spent Sunday at Taylor as guests of her brother-in-law and sister, Mr. and Mrs. Willie Heckmann. They were accompanied by their grandsons, Bobby and Randy Pick of Raylor who had been guests in their home the past week.

Mr. and Mrs. Raymond Ezzell and son, Dennis Wayne of Belton visited the week end with her parents, Mr. and Mrs. Charles Hundle.

Eligible Voters

Farmers "eligible to vote" in the upcoming referendum on 1959 crop cotton marketing quota had been defined. Persons in doubt about their eligibility to vote in the December 15 referendum are urged to contact their local County ASC Office where all necessary facts may be obtained.

For Better Gobbler

Refrigerators soon will be bulging with supplies of turkey and all the trimmings for Thanksgiving dinner. Extension foods and nutrition specialist pass along a reminder that sanitary handling and proper storage are of utmost importance to the safety, appetite appeal and flavor of meat.

Chance To Share . . .

There is a lot of happiness in this world.

But sometimes we forget to share it.

Because we have such a wonderful season as Christmas, we have filled our homes with equally wonderful objects for present exchange . . . particularly for children.

We watch the kids enjoy a variety of toys, thanks to Santa Claus, at Christmas time and the year 'round. But the toys get broken or worn or tossed aside. And many children will get more than they can use.

What could happen to that discarded or unused toy would bring deep satisfaction to all. For that forgotten toy could bring Christmas cheer into the heart of a less privileged youngster.

That toy could be given to Santa Pals, a project organized to repair and direct reconditioned toys into the hands of children of needy families in Cameron and surrounding area.

It is a small thing, really, remembering to give something we no longer use. But it is no small thing when that toy brings happiness we sometimes fail to share.

Hundreds of smiling faces will be the reward if the discarded toys go to Santa Pals. Call them today, Phone 271.

—O—

Board Is Planning . . .

The City Planning Commission, a board of nine Cameron men, started a series of planning sessions this week, for the evaluation of Cameron's streets and recommendations for a logical plan of improving them.

It is another step toward analyzing the measures necessary to give Milam's county seat the street system she needs.

We would remind the City Planning Commission that they have the solid popular support of 77 percent of a valid sampling favoring a street improvement program. In the May Community Development Clinic, 97 of the 126 persons filling out recommendation cards on civic improvements named a street improvement program.

In fact a street improvement program ranked first of the top ten suggestions for Cameron's civic improvement program.

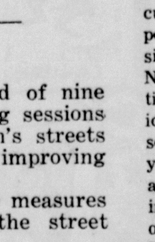
The Herald wrote at that time: "The fact that the Cameron Chamber sponsored the clinic indicates the desire for civic improvement. Cameron's participation and intelligent self-analysis in this clinic makes it a conclusive fact."

We feel confident this group will recommend to the city council following their series of meetings what is first and most needed in Cameron street improvements.

Cameron now has monies available for some of these improvements. A county-wide improvement of existing main highways has been assured by the state highway department. Our US 77 through Cameron is in fact about to be widened and resurfaced.

The recommendations and forthcoming improvements are awaited with keen interest.

THE LITTLE RIVER PHILOSOPHER



Sage Upset Over Congressmen Who Want To Plug Up Some Tax Loopholes

Dear editar:

Yesterday afternoon I was out here on my farm wandering around hunting for something to read -- some people think when I'm wandering around I'm just loafing but if you're going to let what people think influence what you do, you'll wind up tired and the other people no better off than they were to start with, in fact, I see so many ways I could improve myself I have very little time left for improving somebody else, although on the whole I'm like most people, I'm fairly well satisfied with my own conduct and if there's any changing to be done it's up to the other people to do it -- at any rate, I finally found newspaper lodged in a fence corner under a pile of leaves and drifted back home and sat down and read it.

One article in it burned me up. According to it, a group of Congressmen, looking around for some thing to do in the next session in January, have decided they're going to launch a drive to close what they called some major tax loopholes.

This is what burned me up. Close some tax loopholes? Thunder, I don't want em closed, I want em POINTED OUT.

If there are any major tax loop holes, and these Congressmen know about them, and they want to be popular with me, just let them send me a list right away.

What this country needs is not fewer tax loopholes. but more.

As I understand it, these Congressmen are out to prove they're not a bunch of spendthrifts, and by plugging up these holes they'll prove it and still get more money for the government. This may be economical for the government, but it's not economical on me, if there's a loophole I can squeeze through, and I'm calling on you right now to drop whatever your doing, if you can recall what it was, and get to work on this list of loopholes. I think it'd be the most popular, most thoroughly read news item you ever published.

Yours faithfully,

J. A.

Capitol Report

Commission Will Ask Return To Academics

By Vern Sanford
Texas Press Association

AUSTIN, Tex.—Texas state colleges and universities should concentrate on doing the best job possible of one thing — higher education.

To do this, some other things — like student medical services, intramural athletics and certain extension services — will have to be cut loose from tax support.

This is the gist of a report to be presented to the next Legislature by the Commission on Higher Education. Reached after prolonged study and discussion, the Commission's recommendations, if adopted, would be a significant and far reaching step toward directing state spending on higher educational institutions toward "pure academic pursuits."

Commission will ask the Legislature for the largest appropriation in history, about $67,000,000 annually, for the state's 18 tax-supported colleges and universities This would be $10,000,000 a year more than is presently provided. Extra money would be used to provide more teachers, better faculty salaries, improved library and research facilities.

On the other hand, the Commission turned thumbs down on the conducting of a number of extra-curricular activities at state expense. Things which the Commission recommends the Legislature NOT include in the higher education budget: (1) intramural athletics, (2) free or low cost medical services for students, (3) the 17-year-old Cotton Research Council and the Rodent and Predatory Animal Control Service, (4) a bureau of business research at Texas Tech, (5) Texas A&M's Texas Transportation Institutue and (6) operation of museums as a part of five schools.

LEGISLATIVE HORIZON

Beginning of the 56th Legislature is a little more than seven weeks away. Each week brings forward more touchy problems the lawmakers will have to wrestle.

Some are new; some have been chewed over in many previous sessions. Examples:

CITIES vs. City employes

Texas League of Municipalities recently voted to ask the Legislature to step out of the field of regulating city employes' salaries, hours and benefits. It's a purely local concern, said the League. State Association of Firefighters and Police Officers Association took a dim view of the proposal. Executives of the two groups met in Austin, promised a fight against "legislation which would erase all the progress of the past 20 years.

FARM IRRIGATION

Texas Farm Bureau delegates voted to ask the Legislature to make it a little easier for them to get a permit to use small ponds on their property for irrigation. At present, farmers may dam up to 200 acre feet and use it for household and domestic purposes. To use it for irrigation, they must get a special permit, reportedly difficult and expensive. Irrigation from farm ponds brought a hot contest between city and rural forces during the water legislation debates in the first special session, fall, 1957.

TRAFFIC SAFETY LAWS

Texas Safety Association, plus other groups, are pushing for legislation aimed at reducing road fatalities. Points in the program: (1) allowing for the results of "drunkmeter" (chemical tests for alcohol) tests to be introduced in court as evidence in driving-while-intoxicated cases. (2) stronger traffic law enforcement, (3) provision for enough highway patrolmen to do the job, (4) changing speed laws to meet standards of new roads, (5) improved traffic courts, (6) a uniform drivers license law and (7) universal driver education.

MEDICAL PAYMENTS

People approved a constitutional amendment to allow for medical aid payments to persons who receive state welfare checks. Next Legislature will have to pass a new law to put his into effect. Question is, how big should payments be? Other states average $6 a month for adults, $3 for children. Such a scale in Texas would cost an estimated $8,000,000 a year.

MORE SCHOOL DAYS

Less fishing and more studying time may be in the offing for Texas school students.

State Board of Education voted to recommend to the Legislature that the present 9-month school year be extended to 10 months. Earlier this month the Hale-Aikin study committee decided to recommend 9½ months of schooling.

A spokesman for the Texas State Teachers Association said he thought teachers were generally favorable to a longer year. More will be known after TSTA has its annual convention in Fort Worth over the Thanksgiving holidays.

Among groups that already have expressed opposition are the operators of summer camps and resorts. A longer school year would mean less time for them to be in operation.

Other questions sure to be raised are the extra costs coming at a time of financial strain and the possible ineffectiveness of study during hot weather weeks.

But probably the sharpest division of though will be between parents (for) and children (against).

Birthday Party Fetes Carolyn Matula

Carolyn Matula, daughter of Mr. and Mrs. A. F. Matula, was honored with a party on her fifth birthday last week.

Birthday cake, iced in blue and decorated with flags to carry out an Armistice Day Theme and punch were served to the 20 guests.

Mrs. John David Matula was a special guest.

Divine Worship ..... 10:30 a.m.

It is a far cry from the scene of the first Thanksgiving to the festive tables in modern, streamlined homes at which we celebrate the holiday today. But, basic to the proper observance of the Day is the same spirit of devout thankfulness for the blessings vouchsafed to us by a Divine Providence . . . the same steadfast dedication to maintaining those freedoms for which the founder of our country braved the hazards of the New World.

Shocked at big thirst of other '59s? Get the proven economy champ

SOCIETY

Country Club Sets Informal Fall Party

The Cameron Country Club will open the fall social season with a party Saturday, November 29 beginning at 9 p.m.

Using the autumn season as the theme, decorations will center around pilgram hats, dried fruit and colorful mums.

Entertainment chairmen, Mr. and Mrs. John Schigut announced that invitations were being mailed this week to all club members and that a capacity crowd was expected. Mrs. Schigut added that special arrangements had been made for music using the latest in stereophonic hi fidelity equipment.

An Hors d'oeuvres table will be prepared by members of the entertainment committee for the informal fall party.

Hosts will include Mr. and Mrs. Schigut, Mr. and Mrs. James Kahler, Mr. and Mrs. Don Humble, Mr and Mrs. Frank Reed and Mr. and Mrs. Milton Brown Jr.

Other entertainments being planned for Cameron Country Club members will include the annual Christmas and New Years Eve parties, a spring dance, monthly luncheon-bridge parties and a spring style show. Activities for the country club young people are also being planned according to club president James Wiggs with definite arrangements being made for a Valentine party.

National Guard Unit Promotions Are Announced

Battery C, 649th Anti-aircraft Artillery Battalion, Milam County's National Guard unit, reported this week that two of the organization's officers recently received promotions.

Second Lieutenants John C. Kinane and Gordon Simmons, it said, were upped to First Lieutenant late last month.

Kinane is assigned as Automatic Weapons Platoon Leader and Simmons is the Battery's Executive Officer. Both officers are employed by ALCOA and reside in Rockdale.

Reporting on other recent developments, Battery C said that four re-enlistments recently were made in the unit. They were listed as Sergeant First Class Donald W. Clup, Sergeants Daniel A. Mitchan and James M. Thompson, and Specialist - 2 Bennie R. Juergens.

Culp, employed by ALOCA, and Thompson, employed by a local grocery, are assigned to Battery C's Gun Section. Mitchan, a member of the Communications Section, is employed by the Cameron Machine Shop, and Juergens assigned to the unit's Mess Section, is engaged in farming.

Mrs. Ethridge Hosts Martha Class Social

The Martha Class of the First Baptist Church met with Mrs. Johnny Ethridge Thursday for a business meeting and social hour. Mrs. Josephine Leonard was cohostess.

Gale Jones opened the meeting with a prayer and a devotional "Our Prayers Are Always Answered" was presented by Mrs. A. F. Russell.

Hostesses served refreshments of chicken salad, crackers, cookies, coffee and cokes to the 11 members and 3 guests present.

Jones Prairie Club Hears Program On 'The Silver Spoon'

"You are not to try to judge what degree of graciousness you think others rate," Mrs. A. L. Burnett told the Jones Prairie Home And Garden Club when she gave a reading entitled "The Silver Spoon by Jean Belle Mosely.

The Club met in the home of Mrs. Julian Burnett. Co-hostess was Mrs. J. W. Drennan.

Chrysanthemums and roses were used throughout the party rooms and following a brief business sessoin, the hostess served refreshments to nine members and two guests Mrs. Thelston Anderson and Mrs. J. D. Martin.

WSCS Supper

The WSCS of the Tracy Methodist Church will sponsor a chili and pie supper and 42 party at the educational building at 7 p.m. Saturday. The public is invited.

Community Sing

Lilac Baptist Church will host a community sing Sunday from 2 until 4 p.m. The public has been invited to attend.

Mrs. Dusek Opens Garden Club Series On 'Comprehensive Color'

"Nature is a constant challenge to create something," Mrs. Alvin Dusek stressed when she presented the first of a series of discussions on the study of "Comprehensive Color" when the Civic Garden Club met last Thursday.

She further pointed out that color is a gift of nature and it belongs to all field of art. "Color is magic" but magic is dangerous and so color must be used with some discipline. No flower color is definitely fixed. The chemistry of the plant is constantly changing the value of the given color. We get our fullest understanding from nature. There is no discording note in the color of nature. Color effects us emotionally. Mrs. Dusek encouraged members to study their garden specimens and from those they could learn more about color than from all of the charts in the world. The souce of color is "light" and without it there would be no color.

Mrs. R. G. Grabein, Club president, conducted a short business session. Plans were completed for the cake and pie sale which the club will sponsor on Saturday at 10 a.m., November 22 in front of the Cameron Theater.

Mrs. G. A. McDermott invited the club to meet at her home for a Christmas party in December. Mrs. Dewey McElwrath will be cohostess.

Mrs. Leo Fuchs gave an interesting report of the Fall Board meeting of Texas Garden Clubs, Inc., in Texarkana, which she attended. Mrs. Alvin Dusek and Mrs. John Ryan gave highlights of the horticulture workshop which they attended in Waco.

The door prize was won by Mrs. Leo Fuchs.

A. M. Tate, Scouters Organization & Extension Chairman recognized Felix Matula, Amos Pomykal, Garland, Barton, Ed Schiller, and Frank Wenger for reaching their Round-Up Goals.

George Childress features easy monthly payments on all forms of Insurance Protection. See him today. — Adv.

3 Arts To Have Thanksgiving Program Today

The Three Arts Club will meet at the home of Mrs. Dana Kestenbaum this afternoon for a program on Thanksgiving to be presented by Mrs. Buddy Wiese.

Mrs. H. A. Baskin will be cohostess.

Mrs. John A. Smith and Mrs. Earle Pearson were co-hostesses for the last Three Arts Club meeting when Hilliard Thomas, vice president of Citizens National Bank was guest speaker.

Introduced by Mrs. Pearson, Mr. Thomas spoke to club members on the City Planning project pointing out results of community meetings held last spring to determine the cities needs.

A social hour followed the program.

Mt. Zion Baptist Sets Fund Drive For Auditorium

Mt. Zion Baptist Church will launch a building program Sunday with a special service on "The Need of Christian Giving" brought by the pastor, the Rev. Albert Richardson.

Organized in 1895, the church is located on Highway 77, 5 miles north of Rockdale, and has a congregation of 96 resident members.

Building plans include remodeling the present auditorium for classroom space and building a new brick auditorium. J. J. Shelander, church officer said the auditorium was being used for classes at present and the congregation felt a need for separate facilities.

J. W. Dyer, Route 3, Rockdale, will be in charge of special donations.

Shelander urged anyone interested to attend the special service this Sunday.

ESTHER WILLIAMS TO ESTABLISH DISTRIBUTORSHIP IN CAMERON

1959 Distributor Appointment Program Just Starting

The International Swimming Pool Corporation, world's leading manufacturer of home and motel swimming pools, has just launched the largest new distributor appointment program in the Company's history. International is the exclusive manufacturer of the famous Esther Williams Pools and is expanding manufacturing, service and training facilities in order to serve an additional 500 communities.

Backed by the biggest swimming pool publicity and advertising campaign ever announced in the industry, the new distributor appointment program is scheduled to be completed within six weeks.

This market has been selected by International's Marketing Committee for one of the new distributorships. An Esther Williams marketing executive will personally consult with home owners and motel owners and consider applications for the Esther Williams distributorship in this area (see box below).

DISTRIBUTOR QUALIFICATIONS

Good character, a successful business background and a desire to build your own business are the prime qualifications for an Esther Williams distributorship.

The home and motel swimming pool business has become one of America's fastest growing new industries. The Esther Williams Pool is the undisputed leader in this new industry, accounting for 30 to 40% of all the permanent-type pool business.

Industry sales have more than doubled every year for the past three years. Trade experts, however, point out that pool sales have not yet reached boom stage. Sales on a gigantic scale are expected to begin in 1959 and continue for many years to come.

No franchise fee is required of a new Esther Williams distributor. Distributor appointed will be expected to make a modest investment in self-liquidating inventory with big profit potential. Construction experience is not a requirement.

ATTENTION HOME OWNERS

If you have an acquaintance who is interested in the exclusive Esther Williams distributorship in this area, contact the Division Marketing Manager at the address or telephone in box at right. If your recommendation is appointed, you will be entitled to an Esther Williams Family Swimming Pool *at dealer cost!*

America's Largest-Selling Family and Motel Pool To Be Available In This Area

Esther Williams, glamorous president of International Swimming Pool Corporation and world famous authority on swimming and swimming pools.

At a recent distributor conference, Esther Williams observed that, "It is truly amazing how quickly a community becomes swimming pool conscious following the appointment of the distributor for our complete line of family and motel pools."

Many swimming pool authorities credit Miss Williams as being the major influence in speeding up the trend to family swimming pools—a trend that is sweeping across America and making the backyard family pool a sound investment, as well as the new and accepted adjunct to American family living.

At the same conference Miss Williams also explained, "I believe there are four basic reasons why the Esther Williams Pool is outselling all others by a wide margin.

"First, it's the safest pool with the exclusive safety walk all around, the flat play area and the safety cover. These features give parents peace of mind. Being the mother of three energetic children, I can assure you these wonderful features give me peace of mind.

"Secondly, an Esther Williams Pool is built to last because of the rigid construction standards established by our Engineering Department—poured concrete, steel reinforced throughout and covered with exclusive Perma-Seal Poolskin which eliminates costly painting expenses.

"The third basic reason is that an Esther Williams Pool is complete in every respect for convenience, maximum family fun and the most economical maintenance—everything including filter, underwater light, stainless steel ladder, laminated diving board and 10 other items. There are no hidden extras to buy.

"And, the fourth reason more people from coast to coast are buying this complete pool than any other is the integrity on the part of Esther Williams distributors to provide the finest possible pool at lowest cost."

The Division Marketing Manager for Esther Williams Pools,

WELDON BOMAR

is in (town name) to consult with home owners interested in home pools and to talk with distributor applicants for this area. For an appointment call or write him at the address or number below:

ASC Office Announces

Cotton Vote Set December 15

Cotton growers will make an important decision on Monday, December 15, Alva E. Sanders, Office Manager of the Milam Agricultural Stabilization and Conservation Committee, reminds farmers.

On that day, growers will vote in a referendum to decide whether marketing quotas will be in effect for their 1959 upland cotton crop. All farmers who engaged in the production of upland cotton will be eligible to vote in the referendum.

"If at least two-thirds of the growers voting approve the quotas Sanders explains, "marketing quotas will be in effect on all farms growing upland cotton in 1959, penalties will apply on 'excess' cotton, and growers will have an opportunity to elect a choice between (A) farm allotments or increasing their cotton acreage by as much as 40 per cent; this second choice is called Choice (B).

"By complying with the Choice (A) allotment, a grower will be eligible for price support at the full level available —not less than 80 per cent of parity in 1959; by complying with the Choice (B) allotment, a grower will be eligible for price support at a level 15 per cent of parity lower than under the Choice (A) program.

"If more than one-third of the growers disapprove quotas, there will be no marketing quotas or penalties, only 'regular' — Choice (A) allotments will be in effect and price supports to eligible growers (those who comply with their 'regular' allotments) will be available at 50 per cent of parity.

"In either case, acreage allotments of some kind will continue in effect for the 1959 cotton crop as a means of determining eligibility for the available price support."

The Manager pointed out that legislation directs the Secretary of Agriculture to proclaim marketing quotas for the next upland cotton crop when the cotton supply exceeds normal. Quotas are not put into operation, however, unless they are approved by at least two-thirds of the growers voting in a referendum on the question.

Extension Service Releases Bulletin On Laying Flock Costs

College Station, Nov. 19—"Economics of Laying Flocks in Texas" is the title of a publication just released by the Texas Agricultural Experiment Station and Texas Agricultural Extension Service.

This 8-page bulletin reports the results of a study to determine the production, production requirements, costs and returns and production efficiencies of representative farm laying flocks.

Some of the topics discussed in the publication are description of poultry enterprise, production practices, prices paid and received, income from egg laying, and other related subjects.

The bulletin is available from local county agents or the Agricultural Information Office, College Station, Texas. Ask for MP-293.

St. Anthony 4-H Club Sees Educational Film

St. Anthony's Boys 4-H Club met Friday with beef and animal production the main topic of the meeting.

Robert Hoermann, Ass't County Agent, showed slides on how to select good quality animals and feeding, grooming and fitting the animal for shows. The film also showed how to treat animals for espiratory infection. (shipping fever complex).

During the business hour members discussed selling candy in order to raise money for their club.

Two County Men Are Called For Army Duty

The following men have been ordered by the Milam County Draft Board to report for induction on December 2, 1958: Leland Wesley Taylor, Marvin Edward Rubac.

The board mailed orders this week to the following men to report for preinduction physical examination on December 15, 1958: Dan Casteaja Garcia, Booker T. Allen, Wesley Wayne Miller, France Junior Cotest, Isidoro Rojas, Victor Leo Mueck.

Noack, Walker To Represent Milam At Annual Sale

Leon Noack and Marcel Walker will represent Milam County at the Capital Area Hereford Association's Eighth Annual Sale of Breeding cattle to be held at the City Coliseum in Austin December 4.

Twenty-five breeders from eleven counties in the Capital Area will sell 43 bulls and 17 females at auction, beginning at 1:00 p.m. The sale cattle, 57 horned and 3 polled, will be judged by Frank E. Jordan, at 9:00 a.m. and sold by auctioneer, Col. Walter Britten at 1:00 p.m.

Top Hereford cattle will come from herds in Travis, Williamson, Bell, Milam, Blanco, Burnet, Caldwell, Hays, Lampasas, Bastrop and Washington Counties.

Current officers of the Capital Area Hereford Association are President, Ryan M. Howard. Lampasas, Texas; Vice-President, Elton Brigham, Buda, Texas and secretary-treasurer, Elmo V. Cook, Austin, Texas. Officers and directors for 1959 will be elected and plans for the 1959 sale will be developed at a membership meeting which will be held in the Austin City Coliseum, Wednesday night, December 3 according to Walker. Hereford breeders of the area are invited to the membership meeting; all interested livestock raisers and registered breeders to the sale.

Dallas Funeral For Ernest Lazek, 35, Burial At Calvert

Ernest F. Lazek, 35, died Thursday, November 13, in Parkland Hospital, Dallas after an extended illness. He was a former resident of the Ad Hall Community.

Funeral services were held at the St. James Catholic Church in Dallas with the Rev. Becker officiating. Interment was in Calvery Hill Cemetery.

Survivors include his wife; two sons, Gary 8, and Ernest Jr. 7; two daughters, Wanda 12, and Connie 4; his parents, Mr. and Mrs. F. J. Lazek; three sisters, Mrs. Jerry Kosteletsky, Mrs. August Guzner, and Mrs. I. J. Mikulec.

Wiggs Completes Special Course

James M. Wiggs, representative in Cameron for Southwestern Life Insurance Company, has received notice of his satisfactory completion of the Company's "Career Course in Life Underwriting."

The course is the second of a series of three offered by Southwestern Life to its field representatives. It includes such subjects as family and retirement income, income for college and other special purposes, life insurance programs, annuities, and life insurance as an investment.

Alcoa Receives 11 Applications For Scholarship

ROCKDALE — Eleven applicants have been registered for the Alcoa Foundation Scholarship allotted to Rockdale Works as the deadline nears for return of the applications.

Six of the 11 applicants are from Rockdale. Others are from Milano, Thrall, Cameron and Hearne.

Applications may be requested from the Public Relations Office at the plant by employees who qualify under provisions of the Foundation program.

The applications must be submitted to the student's high school principal by Monday, November 24. Principals have been requested to complete an additional form and forward both to H. D. Maxwell, 414 Rice, Rockdale, chairman of the selection board, by December 2.

A $2,000 scholarship is at stake. It provides payments over a four-year period to the graduating son or daughter of a Rockdale Works Alcoan selected by a board composed of school officials from this area.

Chamber Adopts 4-Point Program To Vitalize Plans

The Chamber of Commerce board of directors has approved four recommendations submitted by Chamber Manager Richard Moseley to revitalize the organization for future growth.

President Hilliard Thomas noted the board's approval of:

1. Special meetings of the 12 existing Chamber committees to re evaluate and present new programs in the Chamber;

2. Expansion of present committee memberships and addition of Fire Prevention and Safety and Legislative Committees.

3. Scheduling of a membership drive in December to reach some 160 prospective members in Cameron. The Chamber now has 130 active memberships.

4. Insitution of a monthly Chamber publciation to be distributed to the Chamber membership, prospects and interested agencies for promotion of Cameron and its Chamber program.

Moseley became manager of the Cameron Chamber last week on a part time basis.

Livestock Group Files Complaint

The Texas Livestock Auction Association has filed a complaint alleging violation of the fair trade practices provisions of the Packers and Stockyards Act by a Port City stock yard company with the Secretary of Agriculture, Washington.

The TLAA complaint alleges that a pamphlet-brochure called "Port City Stockyards, 1931-1956, contains" statements which suggest and represent to the public that livestock auction markets are akin to black market operations, circus-like in facilities and operation and not in possession of efficient and accurate scales among six issues raised by the complaint.

The Texas Association, of which the Cameon Livestock Auction is a member. charges that the "Statements, representations and inferences contained there in are false and misleading."

Mr. and Mrs. John David Matula of Old Ocean are visiting Mr. and Mrs. Homer Crook and Mr. and Mrs. A. E. Matula.

Small Pecan Crop Is Forecast In Cen-Tex

By J. D. Moore
County Agent

November 1 forecast of pecan production in Texas is 35 million pounds, according to the Texas Crop and Livestock Reporting Service. This is 8 per cent below the October 1 forecast and 36 per cent below the 55 million pounds produced in 1957.

Intermittent rains over most of the State since early September have delayed maturity and harvest is 3 to 4 weeks later than usual. Production in north, central and east Texas is expected to be slightly lower than indicated last month. Prospects remain generally favorable in the Edwards Plateau, but a very short crop is forecast for south and central Texas.

COTTON FARMERS VOTE

Cotton producers on December 15, by referendum, will determine whether marketing quotas will continue in operation, the kind of allotment program and the level of price support for the 1959 cotton crop. The referendum is of vital concern to every cotton grower.

SWEET POTATO TREND

Sweetpotato acreage has been trending downward for the past 25 years. The record high acreage of 1,059,000 in 1932 dropped to 728,000 by 1939, 472,100 in 1949, and 283,700 in 1956. One of the few reversals was in the wartime year, 1943, when 856,680 acres were harvested.

The downward trend in acreage is doubly significant because there has not been a pronounced offsetting increase in the per acre yields for sweet potatoes as there has been in a number of other crops. The average per acre yield for sweetpotatoes in 1952-56, at 55.6 cwt., is only about 19 per cent above the 46.8 cwt. during 1937-41.

What's the pattern of acreage changes since 1939? First. drastic decreases in the non-commercial States, notably in Alabama, Arkansas, Georgia, and South Carolina. Second, moderate to large decreases in many of the commercial States, such as Maryland, Texas and Virginia. However, in New Jersey and California, acreages have increased, and in Louisiana the decline has been small.

Most of the acreage is now located in the more commercialized areas. The relatively large decline in the number of farms growing sweetpotatoes in noncommercial areas has drastically changed utilization of the crop.

Quantities fed to livestock and quantities lost after harvest have shown a drastic reduction since 1939. Household consumption of sweetpotatoes on farms where grown is about one-third of the level during the early 1940's.

The trend toward reduced commercial acreages in many states probably has been accentuated by high labor requirements and storage expenses. Moreover, market demand for sweetpotatoes has not been consistently strong enough to encourage any expansion in the overall acreage.

LOCAL PATTERN

The 1954 census showed 2,659 farms in Milam County. Only 59 of those farms reported 82 acres of sweet potatoes planted. The 1930 census listed 402 farms planting 348 acres. The 1940 census listed 379 farms planting 642 acres. The 1950 census listed 216 farms planting 298 acres.

Approximately 5,000 acres of sandy land in the south and east parts of Milam County are suited to sweet potato production.

"The next time this wash and wear suit goes to that cleaner in the Want Ads!"

Milam County 4-H'ers Honor Banzhaf On Achievement Day

By Robert W. Hoermann
Ass't County Agent

Milam county 4-H'ers observed their annual achievement day on November 15, in the Yoe High School Gym in Cameron, with special tribute to early 4-H Club members and leaders who started the basic idea 50 years ago.

Mr. George Banzhaf, retired county agent who started 4-H Club work in Milam county in 1908, was guest of honor at the Achievement Program.

The present 4-H Club movement in Texas is an outgrowth of "boys' corn clubs" and "girls' tomato clubs" dating back 50 years ago. Membership has grown from the original 25 corn club members in Jack county to more than 110,000 boys and girls.

Members get practical experience and training in farm, home and community life with leadership development emphasized. Demonstrations and activities include crop and livestock production, home improvement, clothing, foods and nutrition, health, recreation and management.

As the world's largest voluntary youth organization, 4-H Club work offers an ever-expanding program. Sponsored by the Agricultural Extension Service, the program is guided by local leaders, parents, county extension agents, and State 4-H Leaders.

"Learn Today—Lead Tomorrow" is the theme Texas 4-H'ers are using for achievement day observances this year.

4-H Club Meetings

"Selection and Care of Calves for Show" is the program for 4-H Club meetings in November.

Selection, management and training the calves are important in getting a calf ready for Show. Plenty of clear, clean water is one of the most important needs of the show calf.

In shipping livestock, the slogan "Take It Easy" is very important. Most bruises are on the higher price cuts of meat, because the cattle are hit either on the back or hind quarters.

The use of a canvas slapper or hot shot will help prevent the loss of meat due to bruises.

Senior 4-H Club Is Organized In County

Buckholts students have organized a senior 4-H Club, an outgrowth of the active community junior 4-H Club.

Stella Inge has been named president of the new organization. Other officers include: Hal Lester Senkel, vice-president; James Edward Glaser, secretary-treasurer; Jeanette Fuchs, reporter; LaVelle Fischer, council delegate; Eugene Glaser, parliamentarian; and Carrol Wayne Glaser, song leader.

The group will sponsor a Christmas party with plans to be announced at a later date.

For COLDS take 666

Mrs. Frances Marek, 75 Year Resident, Is Buried In Blinka

Mrs. Frances Marek, 80, of near Buckholts died November 11 in a Houston hospital. She was born in Washington County August 16. 1878 Mrs. Marek had been a resident of Milam County for the past seventy-five years.

Funeral services were held at the Czech-Moravian Church in Buckholts Thursday, November 13 at 2 p.m. Rev. John Baletka of Temple officiating. Burial was in Blinka Cemetery.

Survivors include 4 sons; Emil Marek, Hubert Marek of Cameron, Ladis Marek of Buckholts and Edward Kriz of Fort Worth; 3 daughters; Carolina Kimbell of Corpus Christi, Hermina Olis of Buckholts and Matilda Simek of Houston; one brother Joe Plsek of Temple; twenty six grandchildren, twenty great-grandchildren and 3 great-great-grandchildren.

Pallbearers were her grandsons, Hubert Marek Jr., Walter Burnett, Le Roy Klapka, Joe Parks, Andrew Hollas, Henry Olis, Dean Butter and Raymond Marek.

Marek-Burns was in charge of arrangements.

State Patrol Lists 1 Fatal Accident In Five County Report

Sergeant O. L. Luther of the Bryan Area, Texas Highway Patrol, released Brazos, Burleson, Lee, Milam and Robertson Counties' Rural Traffic Accident Summary for October 1958.

The Highway Patrol in this Area investigated a total of 39 accidents with the following breakdown: Property Damage 33 Personal Injury 5, and Fatal accidents 1.

Sgt. Luther reported a total Property Damage of $25,952.00 with 12 persons injured and 1 killed. This is a decrease of 9 accidents and increase of 1 death for the same period of September 1958.

Wet Soil, Dew Limit Peanut Harvest Here

County Agent J. D. Moore reported limited progress in harvesting peanuts and other crops as well as plowing due to heavy dew and wet soil.

He added that small grains made good growth the past week with no damage reported.

Summoning Of The Nations Pageant Dramatized At Yoe FHA Meeting

FHA members, 15 mothers, and 8 other guests attended the "Summoning of the Nations" in the Yoe High homemaking department Recently. FHA girls attending the regular meeting were dressed in typical cotumes of 28 countries that are members of the United Nations. Each girl answered the roll call with the name of the country she represented.

The pageant "Summoning of the Nations" was presented to help FHA girls learn more about the contributions each country has made to civilization in the past as well as the need for working peacefully together in the future. Speakers in the pageant were Geri Kolidejcak, as the chief narrator, the Spirit of History; Beulah Malone, Italy; Pat Wilkinson, France; Betson, United States of America; Joyce Fuchs, Russia; and Kay Pernice, Germany.

The devotional, "Sacred Scriptures of the World's Great Religions" was also given in costume. The six girls dress to represent a country practicing one of the major religions of the world were Pat Talafuse, Hinduism; Jo Ann Horelica, Islam; Pat Nesbit, Confucianism; Sharon Wise. Christianity; Alice Clark, Buddism; Jo Ann Weaver, Jussiam, and Lorene Barr narrator.

Continuing with International theme, the Homemaking II FHA Unit prepared Swedish Nut Wafers Scotch Shortbread, Coconut-Pineapple Coffee Cake, English Rolled Wafers, German Crisps and Hawaiian Punch.

The next meeting will be December 1 from 7: ; to3 9:00 p.m. for a Christmas program. Parents are invited.

Mr. and Mrs. Sonny Swanzy and family were noon guests of Mr. and Mrs. Leland Burnett and family and W. M. Sweet.

Mr. and Mrs. James Bailey are working in Austin State School. Their address is Box 1152, Austin State School, Austin, Texas.

Mr. and Mrs. Sonny Dorner and family were Sunday afternoon guests of Mr. and Mrs. Leon Noack and Nan of Rockdale.

Yoe High FHA Girls Attend District Meet

More than 300 FHA girls from eight counties attended the District II FHA meeting in Palestine November 8. Of this number 21 were from the Yoe Chapter, accompanied by Mrs. A. Hertenberger, Mrs. F. Lesikar and Mrs. Imogene Whatley.

Members of the Yoe High, Sharp and Milano chapters presented a devotional written by Mrs. Beatrice Wicse, honorary member of the Yoe Chapter. Participating were Geri Kolodejcak, Vera Ann Perrin, Beverly King, Janice Pemberton, and Barbara Junek of Cameron; Carol Leatherwood and Lois Ann Rose of Milano; Gwendolyn Taylor and Marilyn Petty of Sharp.

Mary Lesikar, Yoe High, District II Treasurer, gave the financial report during the business session. Vera Ann Perrin represented the Yoe Chapter as their voting delegate.

Mr. and Mrs. Edmond Strickler of Austin and Grandpa Strickler of Cameron visited in Ben Arnold last week.

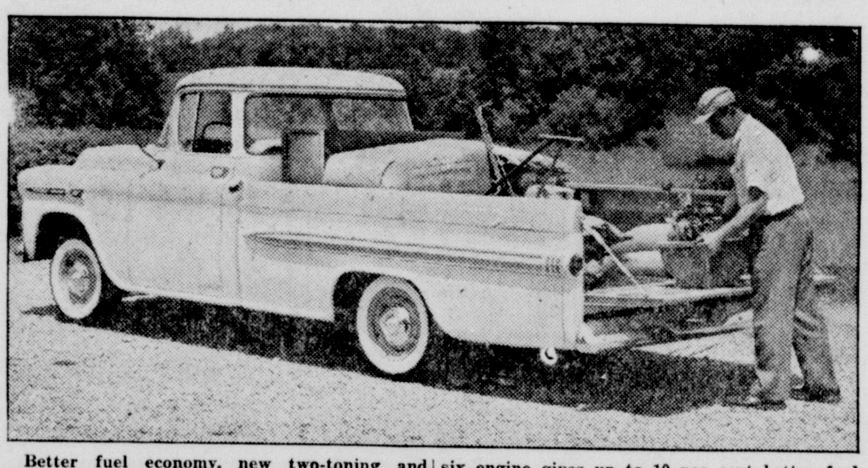
Cameron's Business - Industrial Review

Story Of Cameron Business Leadership



Better fuel economy, new two-toning and larger brakes are among improvements in the 1959 Chevrolet Fleetside pickup, one of 139 truck models in the company's new line. An economy six engine gives up to 10 per cent better fuel mileage, with higher torque at normal speeds. A further economy carburetor-rear axle option is available on six-cylinder half-ton models.

At Earle Pearson Chevrolet

Fuel Savings In Chevy Pickup

Substantial fuel savings in the light-duty range, larger brakes on the half-ton series, a new optional power train for 14 heavy-duty models, and durability improvements from engines through axles are top developments in the expanded Chevrolet truck line for owner of Earle Pearson Chevrolet 100 S. Travis.

Generally, the popular, massive, functional styling of 1958 is retained, with a new two-tone pattern for Fleetside pickups. Cab interiors are restyled with a wider choice of brighter trim available.

Light-duty feature for 1959 is a six-cylinder engine of improved design which has shown substantially better gas mileage in on-the-job tests. Fuel savings, plus an increase in torque at low and medium speeds, comes from a camshaft design that reduces loss of fresh fuel mixture during the combustion cycle. On the half-ton models even further fuel economy is attained from a special carburetor rear axle combination, optional with the economy six.

More load space is furnished on 3-4 ton stake models with a longer rack body which measures 98 inches on the inside or seven inches more than last year.

Among important mechanical revisions contributing to durability and performance in Chevy's 1959 trucks are:

A new thermostatically-controlled by-pass cooling system for all heavy-duty truck engines, providing a more rapid warmup, uniform temperature distribution, and constant circulation.

Refinements in engine pistons, valves, oil filters, bearing seals and distributors.

Oil sealing and bearing seating improvements in the 15,000-pound rear axles.

Greater driveline efficiency at reduced wear with a design that affords maximum protection against water, dust and other foreign matter.

New Cameron Offers Premiums With Purchases

New Cameron Drug is now offering a wide selection of Christmas gifts and childrens toys in their recently expanded facilities. as well as a fine stock of drug goods and an up-to-date prescription center.

New Cameron Drug is offering valuable gifts as savings to their customers through their new Milam Voucher plan.

Owner Earl Curtis says "Buy at home - save at home - and earn valuable premiums in Cameras, Toys, Appliances and lamps along with many other valuable items."

Milam Vouchers are an exclusive feature with New Cameron Drug.

"Premium vouchers may be earned with any purchase at New Cameron Drug," Curtis said, "and a list of the gifts with the amount of premiums needed are available at the store," he added.

"We maintain a fresh supply of anti-biotics and drugs that is as complete as we can make it," Curtis points out.

Curtis, a graduate of the School of Pharmacy, University of Texas, has received national awards for his merchandising and pharmaceutical work from Rexall Drug Co., drug distributors. They include a plaque for outstanding merchandising in drug business and a copy of an ancient mortar and pestle of the early 15th century.

New Cameron's prescription service includes direct lines to doctors offices for fast, efficient prescription service when time is of utmost importance.

NOTICE OF SALE

In compliance with an order of the Commissioners' Court of Milam County, Texas, made and entered on the 12th day of June 1958, and appearing of record in Volume 11, Page 476, Minutes of said Court, to which reference is here made, I, the undersigned, duly appointed as Special Commissioner in the aforementioned order, as provided by Article 1577. Revised Civil Statutes of Texas, will sell at public auction at the Courthouse door of Milam County, Texas, in the City of Cameron, at 1 O'clock a.m. on Tuesday, December 9, 1958, to the highest bidder for cash, the following described parcels of land belonging to Milam County, to-wit:

PARCEL NO. 1:
5.253 acres of land out of the J. A. De Pena Eleven League Grant in Milam County, Texas, being the same land conveyed by R. L. Chapman, et al, to the County Judge of Milam County, Texas, by Deed dated August 2, 1952.
Parcel No. 1 is situated at the Northwest corner of the intersection of U. S. Highway 190, and F. M. Road 486, at Pettibone, and has no improvements. This parcel fronts for 1632 feet on U. S. 190; and is 130.8 feet wide on its East side and 50.6 feet wide on its West side.

PARCEL NO. 2
1.676 acres of land out of the Nathan W. Bush Survey in Milam County, Texas. being the same land conveyed by Ben Ford, et ux, to the County of Milam, by deed dated January 8, 1957.
Parcel No. 2 is located on the East side of State Highway 36 approximately .8 mile Northwest of Milano, and has improvements, including a house. Parcel lies in the form of an obtuse triangle with following dimensions: 710 feet (Fronting on Highway 36) in course S. 50 degrees-46 feet E, 462 feet in course N. 25 degrees E, and 295 feet (Fronting on old Highway 36), in course S. E. generally.

The County of Milam, Texas, reserves the right to reject any or all of such bids as may be made.
Further details may be secured in the office of the County Judge of Milam County.

For A Tasty Treat Properly Clean, Cook Game Birds

Most thrilling climax to any successful goose hunt is when your choicest bird appears on the dining table, brown and succulent, ready to be enjoyed by the whole family.

Uncountable thousands of wild geese, ducks and other game birds never get as far as the table, but are thrown away by careless sportsmen because of spoilage. Other thousands, even though properly cared for in the field are ruined in the cooking.

The question of whether or not to hand game birds before preparing them for the oven in one that finds a difference of opinion. to hand game birds before preparing them for the oven in one that finds a difference of opinion. It all depends on whether you like game brids with a "High" flavor, or not, and in what degree.

It is pretty well agreed, however, that all game should hang at a temperature just above freezing for a period of at least 48 hours before cooking. (Game birds, such as geese and ducks, can be suspended from neck or feet, but must be kept separated to cool.)

Some claim that only a bird kept five to fourteen days is fit to eat. Take your choice.

Until you turn your bird over to the cook here are some suggestions that might help.

Do not pluck, unless you intend to cook the goose at once. Leave the feathers on, draw and hang, as soon as you return to camp.

Do not wash the cavity. Unless the weather is freezing, water will start deterioration and spoil the flavor. Swab out the cavity with a rag dampened with vinegar. If the bird has been shot in the intestines, immediate drawing in the field is necessary, followed by the vinegar wipe as soon as practical.

Once you reach home with your birds, and the family has admired them sufficiently, your wife will no doubt hand you a pan or bag and tell you to go outdoors and pick them.

Don't groan, for it will be a cinch to pick the geese if you douse them with melted paraffin.

Allow to cool, and when you peel off the wax most of the feathers will come off, too.

There are many good game recipes applying to geese. A good one for pot roast goose is offered by the Remington Arms people through their public relations man Henry P. Davis.

"Clean the cavity thoroughly," says Mr. Davis, "wiping out with a rag wrung out in vinegar. Season the inside with a teaspoonful of salt and a half teaspoonful of pepper. Stuff with fruit and vegetables consisting of two peeled and sliced apples, a sliced carrot, a whole onion, and three or four clery stalks. Or you may prefer to fill the cavity with your own favorite dressing. Sew the opening together with stout thread and tie the wings and legs to body. Rub the outside of the goose with butter, seasoned with salt and pepper. Brown in melted butter in a heavy skillet. When the goose is evenly browned on all sides. add two cups of water, cover and cook slowly until tender — about two hours at 375 degrees."

Another recipe for roast stuffed goose, this one straight from an old Mammy down Louisiana way, should perk up any man's appetite.

First wash and clean your goose as Mr. Davis has suggested. Then prepare a tasty cooked dressing to go inside the roasting bird. Mix bread crumbs to your liking, with the usual condiments — pepper, salt, fine-rubbed sage, parsley; a good-sized chunk of butter and a little water. Chop up and add a half dozen fresh raw oysters, if you like oysters, then stir the mixture over a slow fire until smooth and well-mixed. Tie goose's legs and wings close to body, then stuff with the dressing when it has cooled. Put the stuffed bird in the oven and cook for three or four hours, depdening on size of goose, at temperature of 375 degrees fahrenhite. Baste often and thoroughly while cooking.

After roasting, make a gravy from the melted goose fat and browned flour, cooked giblets (chopped) and parsley. The quality and flavor of your gravy depends a lot on how well the flour has browned by stirring continuously in a large skillet or pan.

When you have cooked your bird and made your gravy according to either one of these recipes, make a tasty sauce to bring out the best flavor. Remington Arms experts suggest two that are hard to beat:

HOT ORANGE SAUCE: ¼ cup butter. 1 cup flour. 1 1-3 cups of brown stock. ½ teaspoon salt Sprinkle with cayenne. 2-3 cup orange juice. 2tablespoons sherry or port. Grated rind of 1 orange. Melt butter and add flour and seasonings, stirring until well browned. Slowly add stock. Just before serving, add orange juice, wine and orange rind.

GAME SAUCE: Warm a glass of hot currant jelly in half as much port wine and serve hot.

Well, there you are, pardner! If you have followed these suggestions your goose is now on the table. So pull up your chair, take a big helping and pitch in!

SW Conference Sports

Tom Murray's Column

JACK GALLAGHER, the Houston Post's erudite sports writer, was reclining in a padded hotel chair, nourishment in hand, when a fellow asked: "Jack, why isn't Gordon Speer playing for Rice?"

"He's not tough enough," came the reply.

It was the night before Texas played Oklahoma and an evening of misfiring phrases for Gallagher, the man who bird dogs the Owls for Houston's morning paper.

"You don't really think you have enough offense to beat Oklahoma, do you?" he had minutes before asked UT Line Coach Jim Pittman.

It is history that Speer is currently what the folks in tiny Barbers Hill always knew he was destined to become — the most feared running back in the Southwest Conference -- and that Texas did muster enough offense to stop Oklahoma, 15-14.

In defense of Gallagher, he was not the only Houstonian who felt Speer was lacking in brutality. One Rice Athletic official was emphatic on the point. But it was Jack who likened Gordon's running to that of a girl. "They're tackling him with one arm!"

"They can't tackle him with either arm, if he's sitting on the bench," fumed one diehard Speer follower. Gordon does not pack a switch-blade knife, but it is with certainty he is "tough" enough to play for Texas, SMU, Army and the Aggies, all of whom negatively tasted his brand of courage.

Few know Speer was so discouraged last fall, when as a sophomore he did not suit up for some games, he was ready to quit school Fewer realize his spirits dropped to near breaking point this year when Jess Neely had both Larry Dueitt and Bill Bucek running ahead of him.

HEART, of which Gordon is abundantly endowed, turned his pumpkin into a chariot and he now receives the raves once accorded when he galloped ruthlessly through opposition for Lloyd Kelley's Barbers Hill Eagles.

He could have quit many times, and once again a big tough, fast back would have been shuttled out of the Southwest Conference to the tune of shaking beads.

There is a moral here, and one hardly subtle. Right now there are youngsters considering quitting football because they either do not feel they are getting a chance or simply do not have the talent.

Speer, who had the talent, is simply a celebrated case of many. Take a look around the Southwest Conference. Texas can hardly move without Halfback Rene Ramirez, and yet he was recruited as a throw-in, a 175-pound end out of Hebbronville.

Rice's other halfback, Pat Bailey, is one of the loop's most feared punters and runners yet he was only a freshman fill-in, with almost certainly no varsity future.

Hunter Enis, TCU's fine passer and No. 1 quarterback, played so little as a sophomore and junior he did not letter. Buddy Humphrey, the great Baylor passer, was so bad as a junior, he considered chunkin' it all.

There were many times Glynn Gregory, SMU's gifted halfback, considered giving up football for pro baseball after a trying frosh season during which the former Abilene all-stater gained a total of 32 yards.

But none gave up. and they are all stars. There are other cases more bizarre than these. But, Mom and Pop, if your chin is dragging the dirt because junior is not playipg and you are ready to throw in the sponge for him, wait a spell.

He may have more heart than you do.

Cox Named To Officiate At Brenham Contest

Francis Cox, Band Director for the Cameron Public Schools, will be in Brenham Saturday to officiate as one of the judges of the Region V, University Interscholastic League, marching contest. The contest, an annual affair, will have 35 to 40 bands from the near Gulf Coast area as participants. Among usual bands attending are those from Texas City, Galena Park, Spring Branch, Katy and Dayton.

The bands and their members will enter three types of contests, baton twirling, band inspection, and the actual field marching and demonstration. Contests will run from mid-morning until the early part of the evening.

This is the first contest one for the year in this region, and represents one of three contests in this area in which Cox will participate as one of the official judges. The others come in the spring when the important music playing and concert contests take place.

Guests of Mr. and Mrs. J. W. Meyer have been their son and family, Mr. and Mrs. John R. Meyer of Fort Worth and Mrs. Meyer's sister, Miss Smithie Ritchie of Dallas.

Guests of Mr. and Mrs. Julius Tomasek is their daughter, Mrs. Joe Neuman and baby girl, Karen Ruth of San Bernardina, California. Other guests have been their sons and families, Mr. and Mrs. Jean and Mr. and Mrs. Billie Charles Tomasek and daughter, Becky of Fort Worth.

Yoemen Stomp Hearne Eagles In Final Game Massacre At Wood Field, 57-6

The Cameron Yoemen produced one of the greatest slaughters in their record books Friday night, stomping Hearne 57-6.

Cameron had a tremendous first half followed by an equally supurb second half, garnered 414 total yards for the outstanding offensive play of the district this year.

A total of eight touchdowns were scored. George Zarosky scored twice, once in the first quarter on a 52 yard pass from Kirk and again on a 55-yard pass interception in the third.

Archie Mraz took the outstanding run championship of the night, getting a 75 yard punt runback from the 25 where he took the ball all the way to paydirt.

John Wayne Josey scored in the closing minutes of the second quarter from the one yardline to climax a great scoring season for him.

Roger Terry, out of action the last six weeks, managed a TD late in the third quarter from the 2 yardline.

Jesse Kirk, a possible all-district quarterback, reached paydirt in the first on a one-yard thrust for the first TD of the enight.

Hollas, Dodson Score

Charles Hollas pulled up to the goal from the five for a touchdown. Allen Dodson, 155-pound fullback accounted for a TD in the first.

John Josey has 64 yards to lead the Yoemen in rushing. Kirk had one of his finer passing performances with 9 attempts he completed 5.

The Yoemen had 10 seniors seeing the last of their highschool football action in the final game of the year.

First Half

Kirk returned the kickoff 9 yards Cameron taking the ball on the 33.

Josey got 7 and 3 yards. Mraz got 12 for a first on the 41.

Dodson got three and Kirk 25 for another first, Mraz, plunged 5.

Jesse Kirk from 13 yards out on a keeper play broke loose for the touchdown. The kick by Josey was good. Score, 7-0.

Billy Weaver and the Hearne Eagles got off to a great running start. Weaver took the kickoff on the 12 and raced the ball back 88 yards for the only Eagle score. The extra point failed.

Cameron took the kickoff on the 30. Dodson got 3, Josey 2, and Kirk 7 for a first.

Josey got 6 from the 50. Kirk was thrown for a 2-yard loss to set the stage for Cameron's second TD. Kirk dropped back and looped a 52-yard pass to end George Zarosky for the score. The kick by Josey was again good for one.

Hearne couldn't get moving and Theis was forced to punt fourth down.

Mraz ran the punt back to the Hearne 26 where Josey got two, Fikes fumbled giving the ball to Hearne with Johnson pouncing on it.

The Eagles picked up 3 yards before the quarter ended.

Second Quarter

Hearne was forced to punt again, Mraz running it back 10 yards.

Mraz got 2 and 3 yards, Kirk 5, and Mraz 0.

Hearne took the ball over on downs but were forced to punt last down after 2 runs for no yardage and an incomplete pass. Theis got one away for 27 yards.

Mraz fumbled the punt and Hearne recovered on the Cameron 37.

Martinez completed one to Kesa Hearne threat. White got one.

Dodson intercepted a pass on the 12, the ball going over again to Cameron. Dodson got 2, Josey 6, Cameron was penalized 5 yards. Kirk completed a pass to Dodson good for 25 yards and a first.

Mraz got 4 and Josey 9 for a first. Josey was stopped at the line of scrimmage. Dodson got 2 and a pass to Josey meant 8 and another first. Cameron picked up still another first with the ball being carried to the one yardline. Josey carried over for the score. Josey kicked his third straight extra point in a row.

Hearne took the kickoff on their own 35. Martinez got 6 and 3 and White 2 for a first just as time ran out.

Second Half

Hearne received the kickoff. Ray Tepera intercepted a pass right off the bat and Cameron took over on the Hearne 37. Josey got 15 yards and a first. Allen Dodson got away from all tacklers for a 22-yard dash on the left side. The extra point kick attempt by Josey failed.

Archie Mraz took the punt directly on the 25-yardline and ran a touchdown 30 seconds and 75 yards later. Josey's kick was good making it 34-6.

Hearne managed a complete pass to Martin for 15 yards. arosky then broke up Hearne's last spark of hope by intercepting a pass on the 45 and racing back 55 yards for the TD, his econd of the night. Josey's kick was good.

Cameron obtained 2 points on the kickoff through a safety. Mraz returned the kickoff several yards to the 41 where Terry got 4, and Hollas moved in at quarterback to complete a 37 yard pass to Josey.

The ball was moved to the 2 yardline where fullback Roger Terry plowed across for the TD. The extra point try was no good ending the third quarter.

Bayer Recovers Fumble

Cameron obtained a first down on behalf of Fikes on a 5 yard plunge. Fikes then picked up another first on a 14 yard run. Cameron almost lost posession of the ball on a fumble however fresh men Ernest Bayer pounced on the ball to recover.

The ball was taken to the five where quarterback Charles Hollas twisted and turned until he was in TD land, meaning 6 more Yoe points. Fikes ran over the 2 extra points.

Herman Koranek recovered a kickoff fumble on the 47. Dusek picked up 3 yards before the ball was lost on a fumble.

Hearne got 5 on three plays and then punted with Terry running it back. Cameron got a first by way of Terry and Fikes.

A 14-yard pass to Ronald Brashear just about wrapped it up for Yoe offense. Hearne got nowhere as time ran out at Wood Field, Hearne.

Final score: Cameron 57, Hearne 6.

Rockdale Tigers Defeat Caldwell

The Rockdale Tigers could have had the town Friday night winning their first district title after a 19 year seige.

Rockdale stomped a fighting Caldwell team 42-14 before 5,000 fans in Rockdale.

After the first half the enraged Tigers had a 29-0 lead. Rockdale wasted no time getting started, the first touchdown occurred after only 6 minutes of play. Scurlock went across the goal a few minutes later after Caldwell lost the kickoff on a fumble.

After that there was no stopping the Tigers running wild up and down the field with the ball in their possession most of the time.

'Thump - Thump' Starts

Yoemen, Thorndale Open Season Friday

district), Ray Dorsett and Bobby Evans.

Thorndale won its one-A district basketball championship last year in Bogue's first year.

Kruger will travel with a 10-man squad headed up by tallsters Joe Gerick, 6-5, Turner Newton at 6-2 and George Zarosky at 6-3. Other standouts are Allen Dodson, Archie Mraz. Rodney Folschinsky, John Wayne Josey and Eddie Williams, all under 6 feet tall.

It will be Kruger's first full season at the roundball helm of Yoe High School. He took over the reins in mid-season, last January.

Head Coach Jim Speer told The Herald that Kruger, a college all-district performer himself, is grooming Cameron players for a strong showing this season and will probably put Cameron on the basketball map in a couple of seasons.

Kruger is a graduate of South-

Coach Bill Kruger's basketball Yoemen head for Thorndale tomorrow night to play a touted South Milam County team for the opening game of the season.

Eight players will lead the Yoeman cause while Coach Travis Bogue's standouts will be returning lettermen and starters Wayne Elliott, Lee Roy Caffey (both all-west Texas State Teachers College

An East Texas Baptist College man, Thorndale's Bogue will be shooting for an upset of the Yoemen squad.

Cameron's schedule calls for a second game in the next seven days when the Yoemen travel to Milano Tuesday night before the Belton Tournament December 4-5-6.

Thorndale will meet Caldwell there Tuesday night and will play Rogers November 28 at home.

Kruger urged Yoe fans to join the caravan of student boosters going to Thorndale for the opening game there.

Yoemen To Face Thorndale In 1st Basketball Clash

Yoemen basketball coached by Bill Krueger, starts Friday night at Thorndale.

The team faces a 23 game schedule in a district with Rosebud, Belton, Rogers, and Hearne.

Twenty-six boys have been working out for the teams. The B team will play a game before the A squad in Thorndale.

Boys working the A team are Turner Newton, Eddie Williams, George Zarosky, Dwayne Jergens, Bobby Griswold, David Barkemeyer, Joe Paul Gerick, Delphyn Meeks, Carrol Fikes, Rodney Folschinsky, Archie Mraz, Allen Dodson, John Wayne Josey.

Rockdale Team Leads League In Womens Bowling

The Rockdale Flower and Gift Shop team is still leading the Womens Bowling League with a 29-11 standing. Vaculin Humble Statio nis second with 22-18 and Culpepper Motor team moved from sixth to third place.

Three teams in a tie for fourth place are Green Funeral Home, Pearl and Falstaff.

Ida Michalka rolled the high individual game of 176 and June Goley rolled 461 for high individual 3 game series. Falstaff came in first for high team 3 game series with 1585.

Splits were picked up by Frances Michna, 5-6-10; Mary Polansky, 5-7; Carrie Gurecky, 5-6-10; Bennie Mayer, 2-7; and Mary Hess, 5-10.

George Childress can insure your household goods for as little as 24c per $1,000 per month. — Adv.

Thorndale Sets 25-Game Season For Roundballers

Thorndale Coach Travis Bogue listed his season's schedule for basketball today on the eve of the Cameron-Thorndale game there Friday night.

The main event will start at 8 p.m. when the two varsity teams meet. A B-team game will precede the A-team contest at 7 p.m.

The Thorndale scedule is:

Nov. 21	Cameron	home
Nov. 25	Caldwell	Away
Nov. 28	Rogers	home
Dec. 2	Hearne	home
Dec. 4, 5, 6	Belton Tournament	
Dec. 9	Georgetown	home
Dec. 12	Caldwell	home
Dec. 16	Georgetown	away
Dec. 18	Brenham	home
Dec. 19	Rockdale	away
Dec. 30	Roger	away
Jan. 1, 2, 3	Rockdale Tournament	
Jan. 6	Cameron	away
Jan. 8, 9, 10	Thorndale Tourney	
Jan. 13	Hearne	away
Jan. 16	Bastrop	home
Jan. 20	Granger	home
Jan. 23	Elgin	home
Jan. 27	Del Valle	home
Jan 30	Thrall	away
Feb. 3	Bastrop	away
Feb. 6	Granger	away
Feb. 10	Elgin	away
Feb. 13	Del Valle	home
Feb. 17	Thrall	home

George Childress can insure all the riders of your automobile for as little as $1.00 a month. —Adv.

Cameron B Squad Has Dismal Season With 1 Win, 5 Lost Record

The Cameron Yoemen "B" squad finished their football season with a 1-5 record this year under the able direction of Bill Kruger. The team got off to a bad start when they lost a number of key players and faced a heavy first game defeat against Brenham 30-0. They were defeated by Mexia 12-6, Taylor 22-0, Belton 42-0, and University High of Waco 24-0. Their only win was against Rogers 12-0.

Hearne and Rosebud games were called off.

The team used 2 quarterbacks during the season, Pat Dillon started and earned the reputation of being an aimly passer and sure ball handler, when he was injured during mid season Gerald Bowen stepped in. Bowen had been out of action the first half due to a bad ankle.

Douglas Parker was one of the fastest boys on the team scoring once on a 60 yard run.

C Team Sports 3-2 Record For 1958 Grid Season Here

Billy Joe Michalka completed his second season at the reins of the Cameron "C" team last week with a season record of 3 wins and 2 losses for the eighth grade squad and a 0-2 record for the seventh grade team.

The biggest bright spot of the season was Amos Doskocil. Doskocil accounted for a touchdown in each of the 5 games played by the eighth grade and ended the season with a total of 30 points and a total yardage of 350.

Allen Boyer was Michalka's boy at quarterback handling the position like a pro all season.

Edwin Michalka a rookie to Cameron gridiron handled a halfback position along with Tom Moody rounding out the first string backfield.

The only seventh grader to see action with the eighth grade squad throughout the entire season was Mike Koronek, a 165 pound tackle.

James Parker started the season at end and stayed there all year, scoring once on a 49 yard pass from Boyer. Bobby Jones, 125 pound guard was unable to be moved from his steadfast position by opposing linemen and was a big reason for the teams success.

Michalka's backfield picked up over a thousand yards rushing throughout the year averaging 200 yards a game.

Big man on the seventh grade squad was Craig Wallace who manned the team at quarterback and saw some action with the eighth grade squad. He was outstanding on both offense and defense proving to be equally dangerous to opposers at either position.
